As each Religious Education year comes to a close, I reflect on the wonderful things that happen between the catechists, children, parents and me. My own faith is stronger because I have had a chance to share it . You, as parents, have played the most important role in your child's faith journey this and every year. You put faith into action everyday. As a family you love unconditionally, forgive one another, pray together and support one another. Your role as parents is a true ministry. I feel privileged for having had a chance to share in the faith life of your child and your family. Have a safe and blessed summer season!

Director of Religious Education

FAREWELL!

Suzie Schulenberg has been teaching religious education here since before I came in 2001. She has been a dedicated catechist through her single years, recently married years, and her move to Franklin a few years ago. She and her husband (and classroom aide), Glenn, have adopted a baby, Brandon Christopher, and will now be attending Holy Family Church nearer their home. We thank Suzie and Glenn for their years of service to our program and will hold them close in thought and prayer.

*"For I remember it is Easter morn,
And life and love and peace are all
new born."*
