

March 7th Cathedral Youth
Group is starting:

OPEN TABLES

Have you ever felt like you are trying to live out your faith all on your own?

Have you ever wished you had someone to help you through your struggles and confusion?

Do you want a place that is safe and open to you sharing what you really think and feel about Christ?

Then OPEN TABLES is the place for you!

This is a place where you can come each week and talk about, draw some support and clarity about our Catholic faith from adults and a group of your peers.

How much does it cost? FREE!!!

How does it work? We will come together on Sunday evenings for Praise and Worship led by different Nashville musicians, have a short talk given on a faith topic by a teen or Cathedral Core Team member, and then break up to discuss the faith topic of the day with your small group.

Why is it good to sign up ahead of time? We are going to place you in a small group of people that you will meet with every week. Since the members in this group will not change. We want to place everyone in their group after we have had an opportunity to pray for them and really consider their interests and personal requests when making each group.

HOW DO YOU SIGN UP? Fill out the back of this form and mail it, e-mail it, bring it to the Cathedral drop box outside of the main offices, or bring it to Cathedral Youth Group at 4:30 on Sunday nights or just show up at 4:30 PM on March 7th and we will place you in a group.

We are asking for a lot of this information to help place you in a group of your peers.
